

I just want to please with you to let us keep K-love. We don't have any other contemporary Gospel station in our area. Why would anyone want to take away such a blessing to others. I start my day with k-love. It's so uplifting to me and all my family. It helps to build my life on Jesus. It's my prayer time music. Please don't take it away. If we lose K-Love we want have a gospel station like this one to listen to in our area. It's good for our community! We hear it in our local wal-mart stores many times. And when I do I can't help but think that even the "meanest" person in that store is hearing the word of God in song. That is a good thing for our community. It's for sure our word needs more love, joy, peace, and hope and K=love help to distribute just that. Please I pray that you will reconsider this act of removing k-love from my home town.
